

HEALTH AND SAFETY

Details of the school's Health and Safety policy can be obtained from the school.

Parking

Unfortunately, there are no parking facilities for parents on the school premises. Parents are advised to park safely, away from the school gates, taking due note of road markings and traffic regulations. There is a 30 mph speed limit in the vicinity of the school.

If you are a blue badge holder parking facilities will be made available on the school site.

Parents are reminded that the inner school gates are to be kept closed during school hours. Visitors should use the intercom to announce their arrival, and must follow the visitor procedure, as outlined in the Health and Safety policy. This will be explained by a member of staff on arrival.

Visitors Policy

All visitors to the school are requested to sign in and out of the school. All visitors, where possible, are vetted by the appropriate authority. Visitors are never left on their own with classes, groups or individual children. Visitors may be requested to wear a visitor's badge.
