New Classroom

I am sure you have noticed that the building work is now complete on our new classroom. We just have a few finishing touches internally to do to make it safe for our children i.e fire extinguishers installed, connecting alarms and IT systems. We will let you know as soon as it is ready and invite you all to see inside.

Governing Body

We currently have vacancies for new members of our Governing Body. If you are interested in applying or would like to find out more information about what is involved, please speak to the Office or one of our current Governors.

Yours sincerely

TRUST GOVERNOR?

School governors are at the heart of a school and are there to:

1. Use their experience and common sense to support the school to be the best it can
2. Help set and meet the objectives for the school
3. Do the right thing for the children in giving them the best possible start in their lives

How much work and support is there for new governors?

- You typically need 15 hours per term for meetings, background reading, school visits etc.
- The existing governors will help and support you as you are learning how to be a governor
- Special governor courses are available for you to learn everything you need to know
