Dear Parents

Trees & Wind Damage

You may have noticed that over the Easter break our neighbours arranged for their trees to be cut down to a safe height. We have also had our garage re-built and are now just waiting for repairs to be carried out on the playground, which should be taking place next week.

Unauthorised Absence

Following on from last year's Ofsted inspection, we would like to remind parents that all unauthorised absences including holidays in term time can result in a fine being issued by County Council.

Governors Feedback

The Governors have asked if we can remind parents of the suggestion box which is located just inside the rear door to the school. If there is anything you would like to suggest or discuss with the governors, please feel free to use this facility. Alternatively you are welcome to write to Tracy Thomas (Chair) and place your letter in a sealed envelope and leave at the school office for collection.

Parkfields Postcards

We have been asked by Parkfields if we can let parents and friends of the school know that they are putting together a book for the Senior Leadership Team who are leaving Parkfields. If you would like to send a message, the postcards will be available in our reception shortly.
