

Expanded Noun Phrases

Part A

A noun phrase is a group of words that have a noun as a key word. An expanded noun phrase is a noun phrase which has had more detail added.

Adding adjectives is a great way to add more information about a noun.

Example: **the jacket** → **the new, blue jacket**

Remember to put a comma between the adjectives if you are using more than one adjective to describe something.

1. Can you write expanded noun phrases to describe the things in these pictures?

Adjectives

Expanded Noun Phrases

Part B

A noun phrase is a group of words that have a noun as a key word. An expanded noun phrase is a noun phrase which has had more detail added.

Adding adjectives is a great way to add more information about a noun.

Example: **the jacket** → **the new, blue jacket**

Remember to put a comma between the adjectives if you are using more than one adjective to describe something.

Here is a scene from the story. Can you add in some expanded noun phrases to improve the description?

The _____ cat sat by the side of the _____ pond.
It was such a peaceful setting. Her _____ tail
twitched behind her. Her _____ eyes were staring into the
water at the _____ fish. Her _____ nose sniffed
every now and then. Her _____ fur shook slightly in the light

breeze. Peter decided that he was not going to talk to her. He looked down at the _____ ground and decided that he needed to keep going.

★ Challenge Task ★

Choose a different image from the story and write your own description, including lots of expanded noun phrases in your sentences.
