It **was** night time. Kit and Sam had been in the bath and were ready for bed. They were choosing a book for Mum to read to them.

“This looks like a good one,” said Sam as she took it off the shelf.

“Yes, let’s have this one,” said Kit.

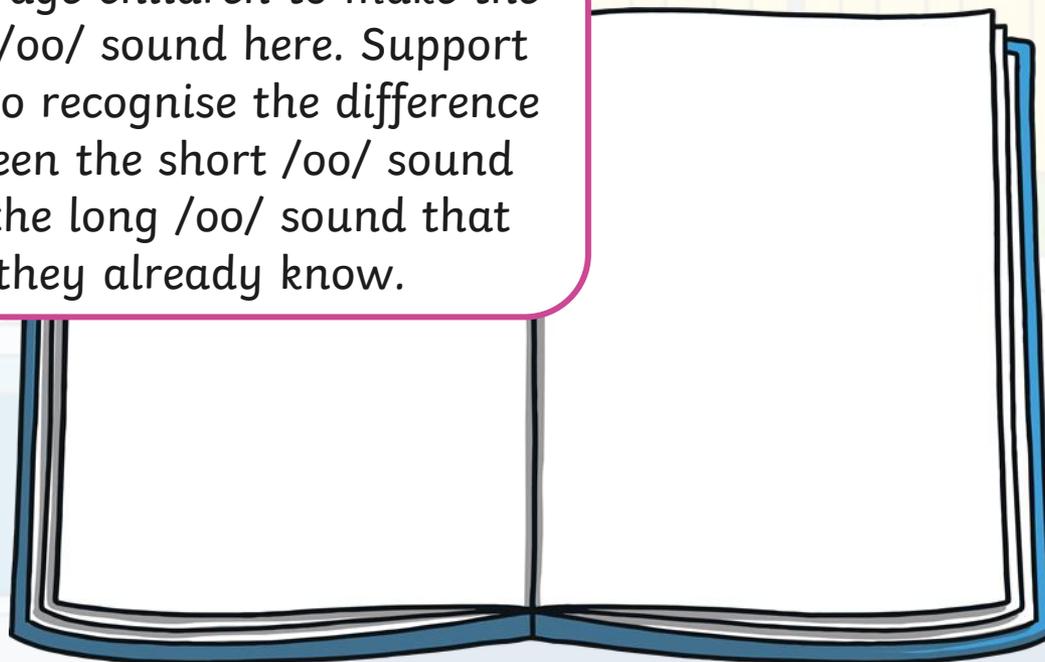

Mum opened the book and the children snuggled up tight, ready for the story. "I can't wait to see what happens," said Kit.

Encourage children to make the short /oo/ sound here. Support them to recognise the difference between the short /oo/ sound and the long /oo/ sound that they already know.

Sometimes, an o and another o partner up. They say oo.
