Introducing OO (long)

Moonlight Wish

Let's practise Sam's Sounds and Tricky Words!

This week, we meet our next tricky word – **my**.

Tricky words are words that can't be sounded out. We just have to learn them off by heart!

Tricky Stars

Shout out the tricky words on the stars. Watch out for tricky word **my**!

Remember, tricky words from this level are shown in **red** in the story and decodable or familiar words are in **purple**. Digraphs and trigraphs are underlined.

“It’s time for bed,” said Mum and Dad, so Kit and Sam went upstairs and got on their pyjamas as quickly as they could.

Sam **was** ready first so **she** went to **peep** out of the window before **she** closed **the** curtains. "Look at the moon tonight!" **she** called.

Kit looked out and to his surprise there **was** a big, bright and beautiful **full** moon. "Ooh!" **he** said.

Encourage children to make the long /oo/ sound here. You could ask them to try continuing the sound for a couple of seconds, to help them differentiate from the short /oo/ sound coming later.

We wish we had a pool.

The next day **was** a lovely, sunny day. Mum came home from the shop at noon with a surprise. It was a paddling pool for Kit and Sam!

“Our wish came true!” said Kit.

“I think Ben wished for a pool too!” laughed Sam.
