

# Ordering Numbers With Up To 3 Decimal Places (2)

I can order decimals with up to 2 decimal places.

Order the following decimal numbers from smallest to largest.

1.            0.08                      0.09                      0.06                      0.03

--	--	--	--

2.            0.06                      0.04                      0.01                      0.05

--	--	--	--

3.            0.01                      0.04                      0.02                      0.09

--	--	--	--

4.            0.01                      0.06                      0.04                      0.03

--	--	--	--

5.            0.08                      0.06                      0.03                      0.09

--	--	--	--

6.            0.01                      0.09                      0.07                      0.04

--	--	--	--

7.            0.03                      0.04                      0.08                      0.05

--	--	--	--

8.            0.07                      0.05                      0.08                      0.02

--	--	--	--

9.            0.01                      0.09                      0.07                      0.03

--	--	--	--

10.           0.01                      0.07                      0.02                      0.05

--	--	--	--

# Ordering Numbers With Up To 3 Decimal Places (2)

11.            0.01                            0.05                            0.04                            0.09

--	--	--	--

12.            0.05                            0.07                            0.08                            0.01

--	--	--	--

13.            0.03                            0.06                            0.01                            0.04

--	--	--	--

14.            0.06                            0.09                            0.07                            0.04

--	--	--	--

15.            0.07                            0.09                            0.03                            0.02

--	--	--	--

16.            0.09                            0.03                            0.07                            0.01

--	--	--	--

17.            0.02                            0.06                            0.03                            0.09

--	--	--	--

18.            0.07                            0.02                            0.09                            0.08

--	--	--	--

19.            0.09                            0.04                            0.08                            0.01

--	--	--	--

20.            0.07                            0.05                            0.04                            0.03

--	--	--	--

# Ordering Numbers With Up To 3 Decimal Places (2) **Answers**

Order the following decimal numbers from smallest to largest.

1. 0.08 0.09 0.06 0.03

<b>0.03</b>	<b>0.06</b>	<b>0.08</b>	<b>0.09</b>
-------------	-------------	-------------	-------------
